Dear Mrs. Elisabetta Fiore,

This issue of **pack insights** is full of great examples of how Bosch Packaging Technology is aligning itself globally. Whether it's our presence at international trade fairs or our locations around the world – we're with our customers every step of the way.

Discover more about successful projects in the United States, Asia, and Europe, and find out about the new seminars we have to offer you.

Enjoy the new issue,
your **pack insights** editorial team
