

GUARNERIO & MANTELLI s.r.l.
Process and Packaging Solutions

We are always here for you...

In light of the escalating impact of the Coronavirus, we are aware that companies are struggling to meet customers needs, especially with regard to drugs and basic necessities. In these critical times **we are at your disposal** to provide you with the most reliable and efficient machines. With over 70 years of experience, we are and we will continue to be your point of reference in the search for process and packaging solutions.

If you deal with the food or pharmaceutical industry and you urgently need a packaging machine or a robotic solution, please do not hesitate to reach out to one of our Engineers. We will do our best to help you.

Please contact us at **+39 338 3777301** or e-mail us at **info@g-m.it**
