### R&D – COOPERATION WITH UNIVERSITY

Alexanderwerk (Remscheid, Germany) engages in cooperation with Fulda University of Applied Science (Fulda, Germany).

With handover of the machine WP 120 Pharma to Fulda University of Applied Science, department food technology/pharmaceutical technology, cooperation was officially founded. In this cooperation a doctorate will be also made.

from left to right: Andreas Schnurpfeil, Prof. Dr. Felix Ecker, Juergen Kullmann and Dr. Christian Henkelmann.
