

November 2011

Dear All,

I am glad to present you the first issue of pack insights, the online newsletter of Bosch Packaging Technology!

Immerse yourself in the extensive competences of Bosch: Get recent news or learn more about process and packaging solutions of our customers with just one click. Find out interesting facts about the latest products, technologies and trends and stay up-to-date with current events by and with Bosch Packaging Technology.

Every two months, the new pack insights newsletter will supply you conveniently with what you are looking for. Individualize the newsletter in your [personal profile](#) – simply select the industries of interest, whether it is the pharmaceutical, Confectionery & Food, Liquid Food or other industries. Of course you will also find information about our Services solutions.

Make also use of the opportunity to read more exciting articles in our [Packaging Technology Blog](#) or experience our machines in action on [YouTube](#).

Enjoy reading!

Yours,

Friedbert Klefenz
President
