

November 2012

Dear Sir or Madam,

In this last edition of **pack insights** in 2012 one clear focus is on the international positioning of Bosch Packaging Technology. Whether it is our international trade show presence and seminars or our worldwide locations – we are at our customers` side.

Read more about successful projects in Africa, Asia and Europe in this issue and find out where around the globe you can experience new solutions in packaging technology presented by Bosch.

Already now, we wish you and your families a happy holiday season and a good start into the New Year 2013.

Enjoy reading,  
Your **pack insights** Editorial Team
