Dear Sir or Madam,

There's a common thread running through the last 2015 edition of **pack insights**: optimum protection for your sensitive products.

Whether you produce aromatic coffee or highly active medications for diabetics, Bosch Packaging Technology's packaging solutions will ensure your product is always fully protected.

Wishing you an enjoyable read,
Your **pack insights** editorial team

> Food & Confectionery

Quality and efficiency from processing to packaging

Bar products are becoming increasingly popular. Choosing the right technology is imperative for maximizing your line profitability.
